

Face to face interpreting

Do you need an interpreter to break the language barrier?

Book an interpreter to attend meetings, appointments or conferences using telecommunication, multimedia or face to face.

No matter the location or the length of time that you need an interpreter for, we have a solution that suits your needs.

Our interpreters offer the following services:

- Simultaneous
- Ad-Hoc
- Continuous
- Voice Over

We monitor the quality of the service delivered by our interpreters to guarantee a punctual and professional service to all our clients.

Our interpreters are of the highest quality so that they are:

- Personnel Security Standard cleared to confirm their identity and are DPSI qualified.
- Fully vetted and hold an Enhanced Disclosure and Barring Certificate (DBS).
- Qualified from standard level (community interpreting) ranging to complex written.

Our linguists are specialists so they know your industry. Their experiences cover the following sectors:

- Medical & healthcare
- Social care
- Legal
- Business & sales
- Education
- Training
- Specialist fields

Debonair Languages exist to connect people through languages.
